- Invested more than $75,000 into the local community
- Established our Strong from the Start initiative, focusing on the needs of children ages zero to three
- Placed more than 5,000 books in the hands of children each year
- Supported more than 100 families through community baby showers
- Created scholarships and financial assistance fund for college students

About the Event

Virtual event, fall 2020

A woman’s handbag can make a big impact. It can be a style statement, a practical tote for life’s necessities, a proud symbol of success, a catchall so she is always prepared. At Power of the Purse, the purse is a metaphor for strength. Due to the COVID-19 social distancing guidelines, we will come together safely from our homes to encourage, enlighten and engage women, children and families in our community. Our 2020 fundraiser will feature an online auction with the opportunity to bid on some very special purses, bags, and accessories.
